

Monday 22nd January 2024

Dear Parent/Carer,

YEAR 4
SWIMMING AT HAMPTON POOL

Swimming lessons have been arranged for the children in Year 4 at Hampton Pool. It is a National Curriculum requirement that the children learn to swim 25 metres. We have booked twelve sessions which will start on Tuesday 12th March and Thursday 14th March. Lessons will be on Tuesday and Thursday mornings as listed below.

4C and 4S - Tuesday 12th March to 25th June 2024 (excluding 14th May 2024)

4B and 4P - Thursday 14th March to 4th July 2024 (excluding 28th March and 16th May 2024)

The total cost for swimming lessons per child is £75.82 for the 12 sessions to cover the tuition, and we ask that parents and carers make this contribution and consent to their child attending swimming lessons via ParentPay by **Monday 26th February 2024**. If you feel that you are unable to contribute the £76.82 in one payment then we are happy to organise a weekly contribution plan for you of £6.32. per week - please contact the school office to make an appointment with Mr James to discuss this. You may notice that there has been a slight increase in the contribution we are requesting for the swimming tuition. This is due to increases by Hampton Pool for staff wages as well as inflation..

Please could the children come to school in their PE kit on their swimming day. Please ensure girls have a one-piece swimming costume and long hair is tied back with a band, or preferably covered by a swimming hat. Please could the children come to school with their swimming costume underneath their PE kit and ensure that they have underwear and a swimming towel in their swimming bag. Children will be walking to the pool, so please ensure that they bring a coat. Children can also bring a healthy snack, e.g a piece of fruit.

Children in 4B and 4S will be asked to arrive in school as close to 8.30am as possible on their swimming day as they will leave school at 8.40am.

We very much value help from parents on these occasions to ensure this activity can take place. If you are able to accompany Year 4 on either of the days please complete the form below:

[Year 4 Swimming Helpers 2024](#)

Although having a DBS is not essential for this support, we will prioritise those that have an up to date certificate. Unless you are accompanying a class to the swimming pool as agreed with the class teacher, Hampton Pool has requested that parents do not come along to the pool to watch.

If you have any questions regarding swimming lessons for your child, please contact your class teacher.

Yours sincerely,

Mr Jon James
Head of School
