Home-School Diary

On page 2 of the home school diary you will find the 'home school agreement' which we have created as a school. This agreement outlines what we expect from parents and pupils at HJS to ensure that we are working collaboratively to be the best we can be! Therefore, it is imperative that you spend time reading this page with your child so they understand the expectations. By completing the 'New Pupil Information Form' you confirm that both you and your child have read and understood the agreement. The forms will be checked by Mr James and Mrs Gale in the first few weeks of term.

Home-School Diary

The expectation – children complete 5 lots of reading, spellings and maths a week. It must then be signed by an adult to show that the work has been completed.

All log-in details, for the different online learning platforms, have been stuck in the front of the diaries.

Maths Homework

HJS uses a fun and exciting online homework resource called Times Table Rockstars and it is a huge success.

In Years 5 this resource continues to support children for their preparation towards the KS2 Maths SATs and supports their multiplication knowledge.

Spelling Homework

HJS will begin to use an interactive and engaging online platform to support spellings at home.

The logo for Spellingframe, featuring the word "Spellingframe" in a bold, orange, sans-serif font. The text is centered within a white rectangular box that has a thick orange border. The box is set against a light yellow background.

Spellingframe

This will form part of your child's weekly spelling homework and will involve them logging in to their personal account and completing spelling games set by their class teacher.

Spelling Frame will be used by all classes at HJS to ensure a consistent approach to learning spellings.

Google Classroom

The login details will be placed in the children's home school diaries when they have been organised. We will also go through the steps to logging in with them in school.

Five Finger Rule

Supporting Your Child with Reading

The most important thing to remember when reading with your child is to encourage them to read out loud! This will help you identify any words they find 'tricky'. It is also essential to encourage your child to follow what they are reading by placing their finger on each word.

It is also good to discuss the book with them. What do they like about the book? Who is their favourite character and why? What do they think will happen next? There are questions in the back of their home school diaries to support with this.

You may like to try some paired reading. This is when you and the child read the sentence at exactly the same time. This will support the reluctant readers.

You may want to take it in turns when reading. You could read a sentence first and then your child can read the next one.

Audio books are also a great way of getting a child involved with reading and books.

Mental health and wellbeing at HJS

<https://www.annafreud.org/schools-and-colleges/resources/advice-for-parents-and-carers-talking-mental-health-with-young-people-at-primary-school/>

At Hampton Junior School, we understand that the emotional wellbeing of children is just as important as their physical health. Positive mental health allows children and young people to develop the resilience to cope with whatever life throws at them and grow into well-rounded, healthy adults.

- We are part of the 'Schools in Mind' Network run by the Anna Freud Centre for Children and families – This provides staff with training and resources to embed good mental health practices across the school community. It also provides excellent resources for parents.
- Many of our staff have undertaken 'Mental Health Champions' Foundation programme enabling them to better understand and support mental health and wellbeing.
- We have a school Counsellor who is able to work with children across the partnership in supporting their mental health and wellbeing. We also have a Parent Support Advisor. Her role is to support parents in understanding and engaging with children's learning and development.
- Through themed days and weeks such as 'World Mental Health Day', 'Healthy Mind, Healthy Body week' and 'Mental Health and Wellbeing week' and Nuffield Health workshops we regularly raise the profile of mental health and wellbeing. In addition, children are encouraged to participate in wellbeing activities including the junior jog.

How can you support your child with mental health and wellbeing?

Ask your child to show you the mindfulness and growth mindset strategies they have been using in the classroom and encourage them to use these strategies at times when they might be feeling uncomfortable or experiencing negative emotions.

Where can you get help if you are concerned about your child's mental health and wellbeing?

For information and advice on a range of mental health needs we can recommend the parent and carer's section on the website www.annafreud.org

What does the school do to keep children safe online?

- Children are exposed to online safety throughout lessons where chromebooks are used as well as through one explicitly taught online safety lesson each term.
- Internet safety week
- Regular CPD for staff
- Safe web filtering.

What should you be aware of?

- Age restrictions for apps such as TikTok and Whatsapp - both of these apps have a user age of atleast 13.
- There are various online resources available to support both you and your child when they are online.

Fixed Penalty Notices (FPNs)

Regular and punctual attendance at school is a legal requirement and essential for children and young people to maximise their educational opportunities. Since 2004, Local Authority officers, Headteachers and the Police have had the power to issue fixed penalty notices for unauthorised absences. Under section 444 of the 1996 Education Act, an offence occurs if a parent or carer fails to secure their child's attendance at the school where they are a registered pupil and the absence is not authorised by the school. A fixed penalty notice (FPN) can also be issued if a parent or carer fails to ensure their child is not present in a public place during the first 5 days of exclusion. Fixed penalty notices and other sanctions will be used only where parental cooperation in this process is either absent or deemed insufficient to resolve the presenting problem. Hampton Primary Partnership reserve the right to issue FPNs according to the 'Penalty Notices Practice Guidance for Schools' issued by AfC in 2014. **This process will come into force as of 1st January 2020.**

Further information and the policy will be emailed at to all parents in the next few weeks.
