## Hampton Junior School Year 3 Spring Term 2020

### Key Year 3 information:

It's been a fantastic first term at Hampton Junior School and we are very proud of all the children for settling in so well to junior school life. We are looking forward to the exciting term ahead and we are sure the children will thoroughly enjoy the learning opportunities available to them. Our new topic will be "Monstrous Myths". See overleaf for our curriculum map.

- The children work so hard and as a result, get through stationery rather quickly. They need sharp pencils, glue sticks, highlighters and whiteboard pens, replenished regularly.
- PE and games lessons continue on Tuesdays and Fridays. Please ensure your child has all named PE kit in school.
- Don't forget to keep practising your timetables on Rock Star Maths - the times table competition begins as soon as we return in the New Year.
