## Hampton Junior School Year 6 Spring Term 2023

#### Key Year 6 information:

*The Spring Term is here and the year 6 children have demonstrated that they are ready to tackle the challenges that lie ahead. Our new topic for this term is: WW2. See overleaf for our curriculum map.*

- The children work incredibly hard and, as a result, get through stationery rather quickly. They need sharp pencils, glue sticks, yellow and green highlighters, a purple pen and whiteboard pens, replenished regularly.
- PE and Games lessons will be on **Tuesday** and **Friday**. Please ensure your child arrives in school in PE kit and that it is clearly named .
- Please continue to use Google Classroom as a way to support your child with their learning. On the class page you will find the Maths and Spelling work for the week. In addition, teachers may decide to upload some short Maths tutorial videos which would be beneficial to watch.
